All tables must be covered to the floor on all sides, with no visible boxes, back stock, dollies, etc.

Outdoor booths require your own flame retardant, wind and rain resistant tent or canopy, stakes AND weights (Min. 40lbs per leg). Tents should be no larger than 10x10. Contact show organizers with questions or if you would like another kind of space.

Do I need to collect sales tax or meals tax?

As a business owner you are required to calculate and collect sales tax and report sales tax to the appropriate authorities.

It is the business owners' responsibility to be aware and follow these laws.

Massachusetts sales tax is currently 6.25%

You can wait and apply for a sales tax number after being accepted to a show.
